# In need of a great forever homes!

Cody is a very loving, energetic 5 year old Pointer/Rat Terrier mix. At about 28 lbs. and 18" tall, he gets along well with most other dogs, but cats are not recommended. He's very smart, has a lot of personality, and will be a great family dog for children over 12. Cody is housebroken and knows some commands. Neutered and up to date on shots. He was surrendered by his owner who was sent overseas in the military. Cody is an adorable, loyal pup who loves to give and receive attention.

Dylan is such a sweetie with a beautiful brown coat and light brown eyes. He is an active Rat Terrier/Whippet mix, 5 years old, 19" tall, and about 25 lbs., the perfect size -not too big, not too small. He has that sleek Whippet/Greyhound-style body. Dylan loves to play fetch and will make a great family dog. He's housebroken and knows some commands. Neutered and up to date on shots. Probably no cats, but fine with other dogs. Dylan is easy going, sometimes shy, but always a great, fun-loving companion.
