

I need a great home!

Teddy is an adorable cream colored Chihuahua. He was born around January 2005 and weighs about 7 lbs. Healthy and always happy, he is up to date on shots, neutered, and microchipped. He loves all people and other pets. Teddy is housebroken and always a perfect gentleman. He is definitely a lap dog, as well as a wonderful constant companion (though he is perfectly fine when left alone, too.) He's in heaven when sleeping all nuzzled up to you. Teddy is sure to bring joy to your home and a smile to your face!
